me: hmmm. I'm starting to think that Goldstein might be a hypocritical douchebag with emotional problems
me: but I'd probably better spend a couple more years researching the issue
me: in fact, he could have been a damn good right-of-center commentator if he was not so insecure and prone to faggotry
me: and if he were more intellectually honest
me: I guess you can say that about anyone, though
me: I would be a great jogger were I not a mediocre jogger who smokes a pack a day, for instance
me: incidentally, we are about to experiment with some new life ruining techniques against a certain target
me: perhaps we can test some on Goldstein when we're less busy
me: oh, wait
me: Sadly, No! beat us
